NETWORKING EVENT (25 points)
– Register for one in Career Navigator by Friday, September 6 @ noon
Business card pre-assignment due Monday, September 16 @ Noon.

Register and Attend a Networking Event - Students will put their communication knowledge and skills to the test in a practice networking session with alumni and business professionals. Students will have the opportunity to meet various business professionals and alumni who may be able to help students towards their career goals at one of the networking events listed.

Students are required to dress in business professional attire and points will be deducted for inappropriate dress.

Students will be required to sign in and remain at the event until the end. Those arriving late or leaving early will be penalized points relative to the time not in attendance.

Business cards created as the pre-assignment and name tags will be provided at the check in table.
